2. The dates of the exhibition will be from _____ to _____.
3. The Artist is guaranteed that at least one of the works submitted will be exhibited.
4. The SVAC reserves the right, at its sole discretion, to not display any work submitted. SVAC also reserves the right to determine the gallery in which the artwork will be located. The final date for the exhibition, together with the gallery to be used, the times and dates for installation and removal of the exhibition, and the time and date of the Opening Reception, will be decided by the SVAC and the schedule communicated to the Artist as soon as finalized in writing or electronically.
5. All works submitted must be original: not reproductions, not done under supervision, and not made from a kit or pattern.
6. **All works submitted must be available for sale - no works that are not for sale or pre-sold will be accepted.**
7. While the art is showing in the gallery, outside sales or third party sales are strictly prohibited. All sales made will go through an SVAC representative and be documented on an SVAC sales receipt.
8. Wires should be on the back of all works to be hung and a label attached to each work legibly detailing the Artist's name, phone, and email. Also, please include the title, price, and medium of the work on this label.
9. Artist is responsible for shipping and handling costs to and from the SVAC. SVAC is not responsible for shipping and handling of artwork.
10. Artist agrees that SVAC may use high resolution images of the artwork for marketing.
11. SVAC will provide group publicity for the exhibition.
12. Any artwork sold will remain on exhibit for the duration of the exhibit.
13. The SVAC's commission is 40% on all sales made. **Note that no payment can be made to the Artist until he or she has submitted a completed W9 to the SVAC.**
14. The Artist acknowledges that it is the Artist's responsibility to insure his or her works against loss due to damage, theft, or other causes while on the property of the SVAC or while in transit to and from the SVAC, and, in the event of such damage occurring, the Artist agrees to hold the SVAC harmless.
15. The SVAC will use all reasonable care in the handling, storage, and display of the Artist's work submitted for exhibition.
