

This is a painting by an artist named Elsa Bley. Elsa was an art teacher for a long time in Manchester, Vermont. This painting is a scene of city buildings and is made up of shapes - squares, rectangles, circles and triangles.

"New York Skyline," Elsa Bley, 1960, Oil on Canvas

What time of year do you think it is here? Spring, summer, autumn, or winter?

Think of your own city or town at different times of the year. What colors would you use?
